Training Name: Tactics

Course Name: 1 day Breaching for Patrol response to an Active Shooter Event -Region 8 - Longview Texas

Dates: 12/11/2024 - 12/11/2024

Price: $150

Instructors: John Dapkins

Course Description:

This course is designed to provide a safe working environment on the topic of Breaching. The course is based off the premise of worst-case scenarios such as an active shooter event. This base course will consist of 1 eight-hour day and will concentrate on outward and inward opening doors primarily. Upon completion of the course the student should be familiar with the basic understandings of breaching and construction of the door and jamb. The student will be able to identify different style doors including panic bar doors and other fire rated material that change the method of breaching at times. The Course is designed for the student to bring any and all forcible entry equipment they own or their agency has supplied to them that would be readily accessible from their patrol vehicles at a service call. The course is specific to the JTC CLAW and is taught by the newly certified JTC CLAW instructors and JTC Staff.

The class will start at 518 W. South Stree Longview Texas 75601

Training Description:

TTPOA believes in bringing in some of the best instructors in the country to share their knowledge and experience. If you have requests for a specific instructor or course, contact your Regional Director.
