Training Name: Firearms

Course Name: Concealed Pistol Applications by Greybeard Actual

Dates: 06/05/2024 - 06/06/2024

Venue: Round Rock Public Safety Training Center
Round Rock, TX 78665

Price: $500

Instructors: Matt Little

Course Description:

This two-day live-fire course covers the application of pistol skill from concealment in an armed confrontation. The focus will be on employing your concealed firearm and applying your shooting under stress and in conflict. Your skill at shooting drives your tactics, but there is more to fighting with a firearm than pure shooting skill. Our goal is for every student to leave this course with a deeper understanding of how to apply their hard earned shooting skill from concealment in a fighting context. This course is taught by Matt Little with Greybeard Actual LLC. Visit his instructor bio for information about Matt, as well as the GREYBEARD ACTUAL website.

Topics Covered:

- Application of skill vs development of skill
- Practical application of marksmanship
- Psychology of gunfighting
- Employing your firearm from concealment
- Use of movement
- Use of cover
- Consistent application of shooting skill under stress
- Live fire scenarios

EQUIPMENT REQUIREMENTS:

Serviceable pistol of 9mm or larger caliber, minimum 3 magazines (6 for single stack guns), belt, holster and at a minimum two mag pouches capable of retaining weapon and magazines during strenuous movement. AIWB, IWB, and OWB holsters acceptable. We encourage students to use what they carry with. Minimum 750 rounds of ammunition, although more is recommended. Eye/ear protection for range. No Serpa holsters or soft nylon/leather holsters permitted in class.
