Training Name: Firearms

Course Name: Precision Rifle - Veracity Solutions

Dates: 03/24/2025 - 03/25/2025

Venue: Lubbock Police Department Range
Lubbock, TX 79407

Price: $550

Instructors: Scott Peterson

Course Description:

This 2-day Precision Rifle course taught by Scott Peterson of Veracity Solutions will cover topics related to engaging targets effectively from 100-1000 yards and beyond with your precision rifle. This course welcomes all skill levels; however, it is recommended to those with a foundational understanding of precision platforms looking to elevate their performance. This course is not a PT event, however, students will be expected to perform on demand, be physically able to sprint short distances and shoot from various positions.

(Rental rifles are available. If you require a rifle and ammunition please contact info@veracitysolutionsllc.com to discuss pricing.)

Topics Covered but not limited to:

- Complete Rifle Setup
- Fundamentals of Marksmanship
- Zeroing
- Ballistics and Ballistic Solvers
- Validating Trajectories
- Position Building
- Tripod deployment and use
- Wind Reading
- Rapid Engagement Techniques (RET)
- Working in and out of vehicles
- Zero offsets
- How to train
- Confident mindset
