Description

Whether you're training Tactical Operators, Patrol Officers, or Drug Enforcement Units the Basic Tactical Shield Instructor course will help you become more proficient as a ballistic shield operator and instructor. This intensive two- and 1/2-day course provides instructors with the techniques and skills required to train their department's personnel while operating with a ballistic shield. Students will learn drills, shooting techniques and tactics for the ballistic shield officer, while being required to make presentations, supervise range drills and develop course(s) of fire. NOTE: This course is exclusively for Certified Law Enforcement and Military. Identification will be checked at the door and only credentialed officers will be granted admittance. Any questions please call 1-800-347-1200 Opt Training.
