Course Name: Leadership and Team Building Tactical Team Leaders Course For Domestic Law Enforcement

Dates: 05/05/2025 - 05/06/2025

Venue: Garland Police Department
Garland, TX 75042

Price: $575

Instructors: Trey Lindsey

Course Description:
Description- This 2-day course will focus heavily on the broad topics of Leadership and Team Building aspects from a Tactical Team Leader's view. A wide range of topics will be covered from operational aspects of leadership to tactical employment strategies for a team leader along with the administrative challenges leaders face in a variety of leadership positions. Participants will also share a leadership challenge they've had throughout their career in a group setting to gain an inside perspective of similar challenges other leaders may have experienced.

A wide range of team leader level CQB techniques will be taught to ensure that participants are prepared for a wide range of CQB operational challenges. Participants will also understand the "Hybrid" clearance concept in certain situations where deliberate and dynamic CQB tactics are morphed together to provide the officer the best chance for success in a chaotic high-risk scenario. CQB clearance methodology with each type of tactic will be explained so participants have a high level of understanding of how each tactic is implemented. CQB instructional training points will also be covered ensuring each participant has enhanced knowledge to take back to their respective departments and agencies.

This course was designed as a 2-day classroom and practical exercises course curriculum with the first day being in the classroom portion and the second day being dedicated to practical CQB Tactics from a leadership point of view. This course is tailored for law enforcement members that are currently in all types of leadership positions and those inspiring to take on various leadership positions within law enforcement.
