Dates: 05/20/2024 - 05/22/2024

Venue: Forney PD Range
Forney, TX 75126

Price: $950

Instructors: Mike Pannone

Course Description:

CTT-Solutions is offering a comprehensive course addressing tactics for Police officers operating in environments where one or more vehicles are present.

Day-1 will begin the course with a day of vehicle based positional shooting and best use of enhanced ballistic protection afforded by most non armored civilian or lightly armored police vehicles.

Day-2 traffic, high risk and felony stops with multiple force-on-force Simmunitions scenarios. This will be taught by Patrick Dougherty, an active Police Sergeant with 21 years of service with the Long Beach Police Department. He is currently a SWAT team leader, and range master. Prior to joining the department, he served six years active duty as a Marine infantryman.

Day-3 will be force-on-force Simmunitions open air scenarios based on CTTS fighting methodologies as adopted by the FBI in their vehicle course. It will focus on tactics used by single or multiple officers while fighting around multiple vehicles in residential areas, parking lots and large commercial venues. This will be taught by Mike Pannone, Marine Reconnaissance, Special Forces and 1st-SFOD assaulter as well as hi-risk protection agent in Iraq 2003 and 2004.

Course cost is $950 per officer and requires student supplied Simms or UTM gear.

Equipment required:

· Duty rifle and handgun, eye/ear protection and 300 rounds of ammunition for each system

·300 Simms/UTM rounds and helmet if open enrollment LE class (rifle and handgun but at least one system is required)

· Standard duty gear and attire

Day 2 & 3 will be taught in Garland
