

Training Name: Tactics

Course Name: High Risk Operations Planning

Dates: 03/10/2025 - 03/11/2025

Venue: San Antonio Police Building
San Antonio, TX 78204

Price: \$225

Instructors: Marco Lopez

Course Description:

This course is in a classroom setting and is designed to provide officers with information on how to plan a high-risk warrant.

While the course is primarily intended for SWAT officers, it will also benefit officers from other tactical units who may need to develop tactical plans in support of investigations.

The course will train officers in the elements of high-risk warrant service, covering topics such as information/intelligence gathering, target reconnaissance, diversion and breaching, and methods of warrant service.

Additionally, the course will explain the advantages and disadvantages of dynamic entry versus slow and deliberate clearing methods. It will also discuss limited penetration, breach, and hold, as well as contain and call-out methods.

Training Description:

TTPOA believes in bringing in some of the best instructors in the country to share their knowledge and experience. If you have requests for a specific instructor or course, contact your [Regional Director](#).
